1 Foreword

JC/T 844-2007 was issued by Ministry of Industry and Information Technology on 29 May 2007 and has been in force since 1 November 2007.

It replaces the earlier edition JC/T 844-1999.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the vertical roller mill for cement industry technical requirements, test methods, inspection rules and signs, packaging, transport and storage. This standard applies to grinding cement raw materials, medium hard limestone, gypsum vertical mill.
