1 Foreword

JC/T 862-2008 was issued by Ministry of Industry and Information Technology on 16 June 2008 and has been in force since 1 December 2008.

It replaces the earlier edition JC 862-2000.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the fly ash concrete small hollow block (hereinafter referred to as block) the terms and definitions, classification and marking, raw materials, requirements, test methods, inspection rules and product certification, storage and transportation. This
