1 Foreword

JC/T 964-2005 was issued by Ministry of Industry and Information Technology on 14 February 2005 and has been in force since 1 July 2005.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies: Building industrial automatic code blank machine type, model, basic parameters, technical requirements, test methods, inspection rules, marking, packaging, transportation and storage, This standard applies to: Building industrial
