1 Foreword

JG/T 285-2010 is issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China.

The JG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 17 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, classification, requirements, test methods, inspection as well as marking, packaging, storage, transportation and instructions for use for douche to wash anus (hereinafter referred to as douche). This standard is applicable to douches to wash anus used with pedestal pan in bathroom.

JG/T 285-2010 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 609 other JG/T standards.

Of the 460 JG/T standards that do carry an ICS number, 366 (80%) fall under ICS 91, in the field of construction materials and building.
