1 Foreword

JG/T 49-2000 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 19 April 2000 and has been in force since 1 October 2000.

The JG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 19 pages in English translation.

2 Scope Preview

This standard specifies the dump truck definition, classification, technical requirements, test methods, inspection rules, marking, packaging, transportation and storage of sperm. This standard applies to gravity and hydraulic dump truck unloading variety. Does not apply to self-loading dump truck.

JG/T 49-2000 falls under ICS 53.100, in the field of materials handling equipment.

This catalogue holds 3 other JG/T standards in that field.

In this catalogue, JG/T standards carry edition years from 1992 to 2024.
