### What this standard covers

This standard applies to the dew point hygrometer or RC RC France French dew point sensor, dew point transmitter calibration. Other works (such as crystal frequency, optical absorption, etc.) dew point hygrometer or dew point sensors, dew point transmitter can be calibrated with reference to this specification.

### Document data

International classification (ICS): 17.200.

Chinese classification (CCS): A61.

Estimated length of the Chinese original: 11,116 words.
