1 Foreword

JR/T 0014-2005 was issued by People's Bank of China on 18 February 2005 and took effect the same day.

The JR/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 10 pages in English translation.

2 Scope Preview

This standard specifies the bank information exchange and sharing of the code used and its related content. This standard applies to all PRC banks and other financial institutions, business data processing.

JR/T 0014-2005 falls under ICS 35.240.40, in the field of information technology.

This catalogue holds 93 other JR/T standards in that field.

In this catalogue, JR/T standards carry edition years from 1993 to 2026.
