1 Foreword

JR/T 0098.7-2012 was issued by People's Bank of China on 12 December 2012 and took effect the same day.

It is one of 8 parts of the JR/T 0098 series.

2 Scope

This part specifies the test contents and judgment criteria of trusted service manager (hereinafter referred to as the "TSM system") for mobile payment, including the test requirements, test items and judgment criteria for four test items (function, performance, security and document review) of trusted service manager. This part is applicable to guiding the test organization to formulate test schemes about the conformance to the technical standards and the security of trusted service manager for mobile payment as well as to carry out tests and judge the conformance of test results.

3 Normative references
