1 Foreword

JR/T 0098.8-2012 was issued by People's Bank of China on 12 December 2012 and took effect the same day.

It is one of 8 parts of the JR/T 0098 series.

The JR/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This part specifies the basic requirements and test rules in fours aspects, i.e., internal management, organization management, access control and personal information life cycle management, of personal information protection in mobile payment. This part is applicable
