## 1 Foreword

JR/T 0239-2022 was issued by People's Bank of China on 24 November 2022 and took effect the same day.

The JR/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

## 2 Scope Preview

This standard stipulates the classification coding principles and code structure of commercial health insurance disease liability, and provides examples of commercial health insurance disease code tables and code maintenance mechanisms. This standard applies to various insurance business activities of commercial health insurance companies, as well as information processing and exchange, and statistical analysis within and outside the industry.
