1 Foreword

JS/T 301-2024 was issued by State Administration of State Organs and Facilities Administration on 12 December 2024.

The JS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 29 pages in English translation.

2 Scope Preview

This standard specifies the management requirements for preliminary evaluation, organization of procurement, contract signing, organization of implementation, project adjustment, effect evaluation, asset management and cost settlement involved in the implementation of public institution energy cost trusteeship. This standard applies to the process management of public institution energy cost trusteeship projects.
