1 Foreword

JS/T 303-2026 was issued by State Administration for Market Regulation, Standardization Administration of China on 27 February 2026 and has been in force since 1 April 2026.

The JS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the accounting principles, accounting boundaries, accounting scope, accounting steps, accounting methods, and data quality management for carbon emissions accounting of public institutions. This document applies to public institutions conducting carbon emissions accounting.

JS/T 303-2026 falls under ICS 03.080, in the field of services and company organization.
