1 Foreword

JT/T 12-2004 was issued by Ministry of Transport on 3 June 2004 and has been in force since 1 September 2004.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the transport vessel equipped with fuel metering device (hereinafter referred to as measuring instrument) performance requirements, installation location,
