1 Foreword

JT/T 1234-2019 is issued by Ministry of Transport.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the requirements for enterprises, personnel, facilities, operations, documents and records for road cold chain transportation services. This standard is applicable to the road cold chain transportation of ordinary goods engaged in by road
