## 1 Foreword

JT/T 1236-2019 is issued by Ministry of Transport.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

## 2 Scope Preview

This standard specifies the general requirements, installation principles, form selection, structural requirements and marking requirements for the installation of emergency evacuation exits for highway sound barriers. This standard applies to the setting of
