1 Foreword

JT/T 1252-2019 is issued by Ministry of Transport.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the basic requirements, performance indicators, functional requirements and test methods for on-board capture equipment for illegally occupying bus lanes. This standard applies to the production, testing and use of vehicle-mounted capture
