1 Foreword

JT/T 1257.2-2019 is issued by Ministry of Transport.

It is one of 3 parts of the JT/T 1257 series.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the types, functions, performance and other requirements of the online monitoring platform for energy consumption of commercial trucks. This standard applies to the design, construction and management of the online monitoring platform for

energy consumption of operational trucks.

JT/T 1257.2-2019 falls under ICS 03.220.40, in the field of services and company organization.

This catalogue holds 289 other JT/T standards in that field.

In this catalogue, JT/T standards carry edition years from 1991 to 2026.

3 About this standard

Sector: Highway & Transportation Industry Standard (Recommended)

Issued by: Ministry of Transport

English translation: about 8 pages (approximate)

Chinese original: about 11,147 characters

4 Related standards

Other parts of this standard:

JT/T 1257.1-2019 - Online energy consumption monitoring for commercial vehicle for cargos transportation--Part 1: Technical requirement for data acquisition equipment

JT/T 1257.3-2019 - Online energy consumption monitoring for commercial vehicle for cargos transportation--Part 3: Data exchange

Standards on related subjects:

JT/T 1458-2023 - Performance requirements and testing approaches of commercial vehicle communication system (V2X) terminal
