1 Foreword

JT/T 1257.3-2019 is issued by Ministry of Transport.

It is one of 3 parts of the JT/T 1257 series.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the content, format, frequency and method of data exchange between online monitoring platforms for energy consumption of operational trucks. This standard is applicable to data exchange and sharing between online monitoring platforms
