## 1 Foreword

JT/T 1258-2019 is issued by Ministry of Transport.

The JT/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

## 2 Scope Preview

This standard specifies the types and scope of port energy measurement, energy measurement management, energy measurement instruments and energy measurement data. This standard is applicable to the energy measurement of energy-consuming units in
