Foreword

JT/T 1586-2026 is a recommended industry standard of the People's Republic of China in the Highway & Transport sector, approved and issued by the Ministry of Transport on 3 April 2026, with effect from 1 August 2026.

It is administered by the National Technical Committee for Road Transport Standardization.

Classification: ICS 03.220.20; CCS R10.

1 Scope

JT/T 1586-2026 specifies a method for evaluating the satisfaction of trainees in motor vehicle driver training. It applies to satisfaction evaluation activities organized by the transport administrative authorities. Driver training institutions may follow the document when carrying out their own self-evaluation of trainee satisfaction.

The standard is used by transport authorities at the competent level, driver training schools and institutions, and third-party bodies that conduct or analyse such evaluations. It is a voluntary standard, as the /T in its code shows. It was approved by the Ministry of Transport, issued on 3 April 2026 and takes effect on 1 August 2026. It is a new standard.
