1 Scope

1 Foreword

JT/T 283-1995 was issued by Ministry of Transport on 19 May 2026 and has been in force since 1 December 2026.

2 Scope

This standard specifies the overall repair requirements, component repair requirements, and post-repair testing, packaging and recording requirements for marine internal combustion engine turbochargers. This standard applies to the repair of ship radial turbochargers and axial flow turbochargers with external support bearing design.

3 About this standard

Sector: Highway & Transportation Industry Standard (Recommended)

Issued by: Ministry of Transport
