1 Foreword

JTG/T 3652-2022 was issued by Ministry of Transport on 28 June 2022 and has been in force since 1 November 2022.

The JTG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 17 pages in English translation.

2 Scope Preview

This standard applies to the construction of large sections of sea-crossing steel box girder bridges.
