1 Foreword

JTGG 10-2016 was issued by Ministry of Transport on 22 July 2016 and has been in force since 1 October 2016.

It replaces the earlier edition JTG G10-2006.

2 Scope

This standard applies to the construction of new roads and renovation and extension project supervision. In order to standardize the construction supervision of highway engineering and raise the level of engineering construction and management, this standard is formulated.

3 About this standard

Issued by: Ministry of Transport

English translation: about 39 pages

Chinese original: about 59,582 characters

Supersedes the earlier edition JTG G10-2006.

4 Classification and status

International classification (ICS): 93.080

Chinese Standard Classification (CCS): P 66
