1 Foreword

JTS/T 150-2022 was issued by Ministry of Transport on 29 December 2022 and has been in force since 1 February 2023.

The JTS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 3 pages in English translation.

2 Scope Preview

This standard is applicable to the energy-saving design of newly built, rebuilt and expanded ports, navigable buildings and navigation aids.

JTS/T 150-2022 is filed under Chinese Standard Classification R 06;P67, in the field of road and waterway transport.

This catalogue holds 85 other JTS/T standards without an ICS number.
