1 Foreword

JTS/T 297-2024 was issued by Ministry of Transport on 1 November 2024.

The JTS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 31 pages in English translation.

2 Scope Preview

This standard applies to the budget preparation of test and inspection costs for the new construction, reconstruction, expansion, grade upgrade and maintenance of port engineering buildings such as docks, breakwaters and revetments.

JTS/T 297-2024 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 114 other JTS/T standards.
