1 Foreword

JTS/T 311-2023 was issued by Ministry of Transport on 1 June 2023 and has been in force since 1 August 2023.

The JTS/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 103 pages in English translation.

2 Scope Preview

JTS/T 311-2023 is filed under Chinese Standard Classification P 67, in the field of engineering construction.

This catalogue holds 85 other JTS/T standards without an ICS number.

In this catalogue, JTS/T standards carry edition years from 2013 to 2024.
