1 Foreword

JY/T 0386-2006 was issued by Ministry of Education of the People's Republic of China on 19 August 2006 and has been in force since 1 October 2006.

The JY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 49 pages in English translation.
