1 Foreword

JY/T 0553-2015 was issued by Ministry of Education of the People's Republic of China on 24 October 2016.

The JY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the model designation, requirements, experimental methods, inspection rules and signs, packaging, transportation, storage, etc. content. This standard applies to the kinematics simulation simulator model used in biology teaching in middle schools.

JY/T 0553-2015 falls under ICS 03.180, in the field of services and company organization.

This catalogue holds 130 other JY/T standards in that field.

In this catalogue, JY/T standards carry edition years from 1999 to 2026.

3 Normative references
