8.5 Procedure for determination of unit cell parameters of cubic crystals

1 Foreword

JY/T 0627-2020 was issued by Ministry of Education of the People's Republic of China on 18 December 2020 and has been in force since 1 March 2021.

It replaces the earlier edition NY/T 431-2009.

The JY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This document stipulates the general requirements for the construction and equipment allocation of small basketball courts in compulsory education elementary schools (referred to as schools), and the requirements for the construction of courts. requirements, equipment requirements and inspection methods. This document is applicable to the construction of indoor and outdoor venues and related equipment used by schools for basketball teaching, training and competitions for children aged 6 to 12. Social education institutions can refer to it when carrying out basketball education for children aged 6 to 12. This document does not apply to special education institutions.

JY/T 0627-2020 is filed under Chinese Standard Classification Y 55, in the field of light industry and consumer goods.

This catalogue holds 89 other JY/T standards without an ICS number.

In this catalogue, JY/T standards carry edition years from 2002 to 2026.
