1 Foreword

JZ/T 1-2015 was issued by China Federation of Furniture Industry Associations on 5 December 2015.

The JZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 19 pages in English translation.

2 Scope Preview

This standard specifies the whole house custom home product terms and definitions, classifications, materials, general provisions, technical requirements, test methods, inspection rules, marking, packaging, accompanying documents, transport and storage services, on-site inspection. Production and testing This standard applies to in-house custom furniture and interior decoration products supporting.
