1 Foreword

LD/T 74.4-2008 was issued by Ministry of Labor and Social Security on 8 January 2009 and has been in force since 1 March 2009.

It is one of 5 parts of the LD/T 74 series.

The LD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard applies to general industry and civil new, expansion and renovation of the ventilation and air conditioning works, including carbon steel plate, galvanized steel sheet, plastic plate, stainless steel, glass and steel. Meet the pull system of ventilation ducts and parts production, installation works, mechanical ventilation, air conditioning, dust and other equipment installed. This standard is the preparation of construction jobs construction enterprises plan, issuing the mission statement, assessment of ergonomics,
