1 Foreword

MZ/T 012-2014 was issued by Ministry of Civil Affairs on 26 December 2014 and took effect the same day.

It replaces the earlier edition MZ/T 012-2004.

The MZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

MZ/T 012-2014 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 229 other MZ/T standards.

Of the 136 MZ/T standards that do carry an ICS number, 66 (49%) fall under ICS 03, in the field of services and company organization.
