1 Foreword

MZ/T 033-2012 was issued by Ministry of Civil Affairs on 21 June 2012 and has been in force since 1 July 2012.

The MZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the basic principles and requirements for the identification of cultural heritage. This standard applies to the identification of the cultural heritage of the important ancient places in the millennium, the ancient cities of the millennium, the ancient counties of the millennium, the ancient towns of the millennium, the ancient villages of the millennium, the names of Oracle and Jinwen, the names of ethnic minorities, the famous mountains and rivers.

MZ/T 033-2012 falls under ICS 07.040, in the field of natural and applied sciences.

This catalogue holds 2 other MZ/T standards in that field.

In this catalogue, MZ/T standards carry edition years from 2001 to 2026.
