What this standard covers

This standard specifies the terms and definitions for slow-release fertilizers, general requirements test methods, inspection rules, marking, packaging, transportation and storage. This standard applies to the production, sales and use of nitrogen in the territory of the People's Republic of China, slow-release nitrogen fertilizers, compound nutrient (nitrogen, phosphorus, potassium) slow-release fertilizers and slow-release fertilizers used as raw materials for blended fertilizers. This standard does not apply to the addition of urease inhibitors or nitrification inhibitor fertilizers and urea-formaldehyde fertilizers.
