1 Foreword

NY/T 3093.4-2026 was issued by Ministry of Agriculture and Rural Affairs of the People's Republic of China on 30 April 2026 and has been in force since 1 October 2026.

It is one of 5 parts of the NY/T 3093 series.

The NY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

NY/T 3093.4-2026 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 6,216 other NY/T standards.

Of the 3,315 NY/T standards that do carry an ICS number, 2,282 (69%) fall under ICS 65, in the field of agriculture.
