7 Result calculation
8 Precision
9 Rounding of results and numerical values

1 Foreword

NY/T 908-2004 is issued by Ministry of Agriculture of the People's Republic of China.

The NY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.
