1 Foreword

QB 2732-2005 is issued by Ministry of Industry and Information Technology.

The QB prefix, without a suffix, marks a mandatory standard: within its scope, compliance is required.

The document runs to 15 pages in English translation.

2 Scope Preview

This Standard specifies classification, requirements, test methods, inspection rules, marking, packing, transport and storage of collagen hydrolysate. This Standard is applicable to the collagen hydrolysate powder and collagen hydrolysate water solution.

QB 2732-2005 falls under ICS 71.100.35, in the field of chemical technology.

This catalogue holds 193 other QB standards.

In this catalogue, QB standards carry edition years from 1980 to 2014.

3 Normative references
