What this standard covers

This standard specifies the classification, requirements, test methods, inspection rules, marking, packaging, transportation and storage of daily leather gloves. This standard is also applicable to daily-use gloves made of artificial leather, synthetic leather and other materials. It is also suitable for daily-use gloves mainly made of natural leather, artificial leather and synthetic leather, supplemented by textiles. This standard does not apply to leather gloves for a variety of special purposes and requirements.

Document data

Chinese classification (CCS): Y48.
