Foreword

QB/T 1951.1-2026 is a recommended industry standard of the People's Republic of China in the Light Industry sector, approved and issued by the Ministry of Industry and Information Technology on 13 February 2026, with effect from 1 September 2026.

This edition replaces QB/T 1951.1-2010.

Classification: ICS 97.140; CCS Y81.

1 Scope

QB/T 1951.1-2026 is Part 1 of the QB/T 1951 series on furniture quality testing and quality evaluation, and it deals with wooden furniture. It concerns how the quality of wooden furniture is tested and how the results are evaluated, giving manufacturers, buyers and inspectors a common method for judging a piece of furniture. Other kinds of furniture are left to the other parts of the series.

Wooden furniture manufacturers, quality control staff, testing and inspection bodies, retailers and buyers can use it when checking and grading products or settling a dispute about quality. It is a voluntary industry standard (code with /T), approved by the Ministry of Industry and Information Technology. It was issued on 13 February 2026 and takes effect on 1 September 2026. It replaces QB/T 1951.1-2010.
