What this standard covers

This standard specifies the classification, technical requirements, inspection rules, marking, packaging, transportation and storage of electric stew pots and similar appliances, and describes the corresponding test methods. This standard applies to the production, inspection and sale of household and similar electric saucepans and similar appliances with a rated voltage not exceeding 250V. Note: Similar appliances refer to liquid heating appliances with a stew pot as the inner pot.

Document data

International classification (ICS): 97.040.50.
