1 Foreword

QC/T 1224-2025 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 10 April 2025.

The QC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 22 pages in English translation.

2 Scope Preview

QC/T 1224-2025 falls under ICS 43.020, in the field of road vehicle engineering.

This catalogue holds 396 other QC/T standards in that field.

In this catalogue, QC/T standards carry edition years from 1991 to 2026.
