1 Foreword

QC/T 464-2026 was issued by Ministry of Industry and Information Technology on 16 April 2026 and has been in force since 1 November 2026.

It replaces the earlier edition QC/T 464-1999.

The QC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
