1 Foreword

RB/T 002-2019 was issued by National Certification and Accreditation Administration on 26 June 2019 and has been in force since 1 July 2019.

It replaces the earlier edition RB/T 002-2017.

The RB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
