## 1 Foreword

RB/T 011-2019 was issued by National Certification and Accreditation Administration on 26 June 2019 and has been in force since 1 July 2019.

The RB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

## 2 Scope Preview

This standard specifies the requirements for the establishment, implementation and testing of traceability systems in food production enterprises. This standard is applicable to guide the establishment and implementation of the traceability system of food production enterprises, and can also be used for the traceability system of food production enterprises.
