1 Foreword

RB/T 096-2022 was issued by National Certification and Accreditation Administration on 11 October 2022.

The RB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 14 pages in English translation.

2 Scope Preview

This document specifies the safety evaluation specifications for mobile terminal dual-system products, including safety evaluation content and requirements, safety evaluation methods and result: This document is applicable to the testing, evaluation and
