1 Foreword

RB/T 207-2016 was issued by National Certification and Accreditation Administration on 22 June 2016 and has been in force since 1 February 2017.

The RB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the mandatory product certification designated laboratory testing activities, the daily management of the evaluation index system, evaluation elements and evaluation of the implementation of guidelines. This standard applies to the evaluation of the routine management of designated laboratories for compulsory product certification.
