Foreword

This standard replaces SB/T 10369-2005 "Evacuation of soft-packed halogen egg products".

Compared with SB/T 10369-2005, the main changes of this standard are as follows.

- The standard name was changed to "Vacuum flexible packaged halogen egg products";
- Increased raw egg requirements should comply with the provisions of 6.1 of GB 2748, GB/T 25009-2010;
- Added the provisions of GB 28050 "General Rules for Nutrition Labelling of Prepackaged Foods";
- Cancel the explicit value of the health indicator list, which should be in accordance with the provisions of GB 2749;
- Clarified that the processing requirements should meet the requirements of GB/T 25009-2010;
- Revised the description of "vacuum flexible packaging halogen egg products";
- Specific description of the inspection rules and judgment rules.

This standard was drafted in accordance with the rules given in GB/T 1.1-2009.

This standard was proposed by the China Business Federation.

This standard is managed by the Ministry of Commerce of the People's Republic of China.

This standard was drafted. Hubei Shendan Health Food Co., Ltd., Shandong Dezhou Chicken Co., Ltd., Guangdong Zhenmei Food Group Company, Nanjing Yurun Food Co., Ltd.
