1 Foreword

SF/T 0131-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 10 pages in English translation.

2 Scope Preview

This standard specifies the overall requirements, inspection procedures, identification opinions and identification documents for biological half-sibship identification in forensic evidence laboratories. This document is suitable for identification of half-sibling relationships between two individuals, half-siblings through three individuals, and half-siblings through four individuals.
