1 Foreword

SF/T 0137-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

It replaces the earlier edition SF/Z JD0105004-2015.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the requirements for the document composition, document body, document attachments, document production and document format of the paternity test opinion letter. This document is suitable for writing appraisal opinions during triplex paternity tests and doublet paternity tests.

SF/T 0137-2023 falls under ICS 07.140, in the field of natural and applied sciences.
