1 Foreword

SF/T 0138-2023 was issued by Ministry of Justice of the People's Republic of China on 7 October 2023 and has been in force since 1 December 2023.

The SF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard stipulates the formation principles and characteristics of handwritten electronic signatures, and specifies the inspection steps and methods for handwriting identification of handwritten electronic signatures, the auxiliary application of computer handwriting analysis and recognition technology, records and identification opinions. This document is suitable for the identification of handwritten electronic signatures in document identification in the field of forensic identification.
